Father's Day Project

Objective: Complete the provided craft design to create a thoughtful and personalized gift for your father or a father figure in your life.

Instructions:

- Design Template:** Enclosed with this message is a craft design template. This will be your guide for creating the Father's Day craft. Make sure to follow the instructions carefully.
- Materials:** Use the materials specified in the template. If any additional materials are needed, they should be easily available at home. Feel free to add your own creative touches!
- Personal Touch:** Even though you are following a template, try to include a personal element. You can add a heartfelt message, decorate it with colours or patterns your father likes, or incorporate something that represents a shared memory.
- Neatness and Presentation:** Pay attention to the neatness and overall presentation of your craft. Take your time to ensure it looks special and well-made.

Submission:

Deadline: Your completed craft should be submitted on the first day of school after the holidays.

Presentation: Be prepared to share your craft with the class and talk about why you think it will be meaningful for your father.

We hope this project will be a fun and meaningful activity for you during the holidays. Take this opportunity to show your appreciation and love for your father in a creative way. We look forward to seeing your wonderful creations!

Have a great holiday and happy crafting!

for

your hard work.

Enjoy your summer break and don't forget
your homework.
