Dear Parents/ Guardians,

The school extends its sincere gratitude to all parents and guardians for their valuable cooperation and support in the successful completion of the **APAAR (Automated Permanent Academic Account Registry)** formation of their wards.

Your timely submission of required documents, active participation, and continuous coordination with the school have played a vital role in ensuring the smooth and accurate creation of APAAR IDs for students. This achievement would not have been possible without your understanding and commitment.

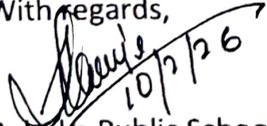

However, we were unable to process APAAR of some students confronting Aadhaar validation, Aadhaar availability, and no response regarding the BEPC (Bihar Education Project Council) issued consent form.

This process has been carried out in accordance with the **Letter No – 068/JAMUI; Dated – 13/01/2026 issued by Bihar Education Project Council (BEPC), JAMUI.**

The successful completion of this initiative will greatly benefits students in maintaining a secure and permanent academic record.

The school once again thanks to all parents for their wholehearted support and looks forward to continued cooperation in future academic initiatives.

With regards,
